

BEAUTY FOR ASHES MINISTRIES

ISAIAH 61

Greetings, friends, and supporters of Beauty For Ashes Ministries!

As the founder of this non-profit organization, I am excited to share with you the vision that God has given me for the expansion of this ministry. We have been blessed to witness countless lives transformed and set free by the power of God, and we believe that He has even more in store for us.

But we cannot do this alone. We are in need of your support, both through your generous donations and your faithful prayers for provision. Your contributions will help us to reach more people in need, providing them with the resources, training, and support they need to experience the freedom and healing that only Christ can bring.

As we embark on this new season of growth, we ask that you join us in prayer for provision and direction. We trust that God will provide all that we need to carry out His work, and we thank you in advance for your partnership in this important mission.

First and foremost, we are in need of a larger location to host events, train, and minister to more individuals at once while maintaining their privacy. This will allow us to offer more appointments per week and equip the Body of Christ in a way we are currently unable to do.

In addition to a larger space, we are also in need of various equipment such as microphones, sound systems, and speakers to enhance our events and ensure that everyone is getting the most from our services. We are also seeking a large TV to display important information and resources at our events.

Lastly, we are in need of furniture to create a comfortable and welcoming environment for those who come to our ministry. Your contributions will help us to create a space where individuals can feel safe and cared for as they receive the support they need to overcome their challenges.

Thank you for your continued support, and generosity. May God bless you abundantly!
